Bilingual Lexicon of Legislative Terms

New Edition

This new edition of the *Bilingual Lexicon of Legislative Terms*, prepared by the Office of Legislative Counsel, is the result of a complete review of the 1992 edition. Every entry in that edition was checked against our statutes database. Hundreds of obsolete entries were deleted and thousands of new entries were added. These changes were based on a scanning of the Revised Statutes of Ontario, 1990 and of annual statutes to the end of 1997. Bilingual regulations were not scanned for the purpose of this edition, with the exception of the Rules of Civil Procedures and a few similar regulations.

We hope that this updated edition of the *Lexicon* will reflect even more accurately the terminology used in Ontario's statutes, and that users will find it as complete, practical and reliable a reference work as the previous editions.

Copies of the Lexicon may be purchased for \$30.47 (\$26.50 plus \$1.85 (7%) GST, plus \$2.12 (8%) PST) in person or by telephone, fax, or mail order through **Publications Ontario** at the address and at the following numbers:

Lexique bilingue de termes législatifs

Nouvelle édition

Cette nouvelle édition du *Lexique bilingue de termes législatifs*, préparée par le Bureau des conseillers législatifs, constitue une refonte complète de l'édition de 1992. Des centaines de termes désuets figurant dans la précédente édition ont été retranchés; en revanche, des milliers de nouveaux termes viennent enrichir l'ouvrage. Le choix des entrées et des contextes se fonde essentiellement sur le dépouillement des Lois refondues de l'Ontario de 1990 et sur celui des lois annuelles jusqu'à la fin de 1997. Les règlements bilingues n'ont pas été dépouillés, à l'exception des Règles de procédure civile et de quelques règlements analogues.

Nous souhaitons que cette édition mise à jour reflète encore plus fidèlement la terminologie utilisée dans les lois de l'Ontario, et nous espérons que ses usagers y trouveront un instrument de travail aussi complet, pratique et maniable que les éditions précédentes.

On peut se procurer des exemplaires du Lexique au prix unitaire de 30,47 \$ (26,50 \$ plus 1,85 \$ (7 %) TPS, plus 2,12 \$ (8 %) TVP) en personne ou par téléphone, télécopie ou commande postale auprès de **Publications Ontario** à l'adresse et aux numéros suivants :

Bilingual Lexicon of Legislative Terms

New Edition

This new edition of the *Bilingual Lexicon of Legislative Terms*, prepared by the Office of Legislative Counsel, is the result of a complete review of the 1992 edition. Every entry in that edition was checked against our statutes database. Hundreds of obsolete entries were deleted and thousands of new entries were added. These changes were based on a scanning of the Revised Statutes of Ontario, 1990 and of annual statutes to the end of 1997. Bilingual regulations were not scanned for the purpose of this edition, with the exception of the Rules of Civil Procedures and a few similar regulations.

We hope that this updated edition of the *Lexicon* will reflect even more accurately the terminology used in Ontario's statutes, and that users will find it as complete, practical and reliable a reference work as the previous editions.

Copies of the Lexicon may be purchased for \$30.47 (\$26.50 plus \$1.85 (7%) GST, plus \$2.12 (8%) PST) in person or by telephone, fax, or mail order through **Publications Ontario** at the address and at the following numbers:

Lexique bilingue de termes législatifs

Nouvelle édition

Cette nouvelle édition du *Lexique bilingue de termes législatifs*, préparée par le Bureau des conseillers législatifs, constitue une refonte complète de l'édition de 1992. Des centaines de termes désuets figurant dans la précédente édition ont été retranchés; en revanche, des milliers de nouveaux termes viennent enrichir l'ouvrage. Le choix des entrées et des contextes se fonde essentiellement sur le dépouillement des Lois refondues de l'Ontario de 1990 et sur celui des lois annuelles jusqu'à la fin de 1997. Les règlements bilingues n'ont pas été dépouillés, à l'exception des Règles de procédure civile et de quelques règlements analogues.

Nous souhaitons que cette édition mise à jour reflète encore plus fidèlement la terminologie utilisée dans les lois de l'Ontario, et nous espérons que ses usagers y trouveront un instrument de travail aussi complet, pratique et maniable que les éditions précédentes.

On peut se procurer des exemplaires du Lexique au prix unitaire de 30,47 \$ (26,50 \$ plus 1,85 \$ (7 %) TPS, plus 2,12 \$ (8 %) TVP) en personne ou par téléphone, télécopie ou commande postale auprès de **Publications Ontario** à l'adresse et aux numéros suivants :

(7) If an owner does not comply with subsection (5) or (6), the land will cease to be classified as farmland in the following taxation year.

 - i. d'une part, l'accord est réputé être en vigueur jusqu'à ce que soit rendue la sentence définitive,
 - ii. d'autre part, la sentence définitive prévoit un rapprochement monétaire entre les parties.

7.6 Si un accord conclu en vertu de l'article 7.1 ou une sentence arbitrale rendue aux termes de l'article 7.3, 7.4, 7.5 ou 7.7 est en vigueur, les coûts du logement social engagés par la province qui doivent être recouverts auprès du comté et des municipalités séparées qui y sont situées sont recouverts conformément à l'accord ou à la sentence.

7.7 (1) Si un arbitrage est engagé ou réputé engagé aux termes du présent règlement mais qu'un arbitre n'a pas encore été désigné et qu'un autre arbitrage auquel sont parties les mêmes personnes est engagé ou réputé engagé aux termes d'une ou de plusieurs dispositions énoncées au paragraphe (2) mais qu'un arbitre n'a pas encore été désigné :

- a) d'une part, il est désigné un seul arbitre pour tous ces arbitrages;

- 2. Si les parties ont le droit de désigner conjointement un arbitre mais qu'elles ne le font pas, la Cour de l'Ontario (Division générale) peut, à la requête d'une partie, procéder à la désignation aux termes de l'article 10 de la *Loi de 1991 sur l'arbitrage*.
- 3. L'arbitre rend une sentence définitive qui tranche le litige, dans les trois mois qui suivent sa désignation.
- 4. Le délai dans lequel l'arbitre est tenu de rendre une sentence ne doit pas être prorogé par un tribunal, malgré l'article 39 de la *Loi de 1991 sur l'arbitrage*. Il peut toutefois être prorogé par accord des parties.

Bilingual Lexicon of Legislative Terms

New Edition

This new edition of the *Bilingual Lexicon of Legislative Terms*, prepared by the Office of Legislative Counsel, is the result of a complete review of the 1992 edition. Every entry in that edition was checked against our statutes database. Hundreds of obsolete entries were deleted and thousands of new entries were added. These changes were based on a scanning of the Revised Statutes of Ontario, 1990 and of annual statutes to the end of 1997. Bilingual regulations were not scanned for the purpose of this edition, with the exception of the Rules of Civil Procedures and a few similar regulations.

We hope that this updated edition of the *Lexicon* will reflect even more accurately the terminology used in Ontario's statutes, and that users will find it as complete, practical and reliable a reference work as the previous editions.

Lexique bilingue de termes législatifs

Nouvelle édition

Cette nouvelle édition du *Lexique bilingue de termes législatifs*, préparée par le Bureau des conseillers législatifs, constitue une refonte complète de l'édition de 1992. Des centaines de termes désuets figurant dans la précédente édition ont été retranchés; en revanche, des milliers de nouveaux termes viennent enrichir l'ouvrage. Le choix des entrées et des contextes se fonde essentiellement sur le dépouillement des Lois refondues de l'Ontario de 1990 et sur celui des lois annuelles jusqu'à la fin de 1997. Les règlements bilingues n'ont pas été dépouillés, à l'exception des Règles de procédure civile et de quelques règlements analogues.

Nous souhaitons que cette édition mise à jour reflète encore plus fidèlement la terminologie utilisée dans les lois de l'Ontario, et nous espérons que ses usagers y trouveront un instrument de travail aussi complet, pratique et maniable que les éditions précédentes.

On peut se procurer des exemplaires du Lexique au prix unitaire de 30,47 \$ (26,50 \$ plus 1,85 \$ (7 %) TPS, plus 2,12 \$ (8 %) TVP) en personne ou par téléphone, télécopie ou commande postale auprès de **Publications Ontario** à l'adresse et aux numéros suivants :

Bilingual Lexicon of Legislative Terms

New Edition

This new edition of the *Bilingual Lexicon of Legislative Terms*, prepared by the Office of Legislative Counsel, is the result of a complete review of the 1992 edition. Every entry in that edition was checked against our statutes database. Hundreds of obsolete entries were deleted and thousands of new entries were added. These changes were based on a scanning of the Revised Statutes of Ontario, 1990 and of annual statutes to the end of 1997. Bilingual regulations were not scanned for the purpose of this edition, with the exception of the Rules of Civil Procedures and a few similar regulations.

We hope that this updated edition of the *Lexicon* will reflect even more accurately the terminology used in Ontario's statutes, and that users will find it as complete, practical and reliable a reference work as the previous editions.

Copies of the *Lexicon* may be purchased for \$30.47 (\$26.50 plus \$1.85 (7%) GST, plus \$2.12 (8%) PST) in person or by telephone, fax, or mail order through **Publications Ontario** at the address and at the following numbers:

Lexique bilingue de termes législatifs

Nouvelle édition

Cette nouvelle édition du *Lexique bilingue de termes législatifs*, préparée par le Bureau des conseillers législatifs, constitue une refonte complète de l'édition de 1992. Des centaines de termes désuets figurant dans la précédente édition ont été retranchés; en revanche, des milliers de nouveaux termes viennent enrichir l'ouvrage. Le choix des entrées et des contextes se fonde essentiellement sur le dépouillement des Lois refondues de l'Ontario de 1990 et sur celui des lois annuelles jusqu'à la fin de 1997. Les règlements bilingues n'ont pas été dépouillés, à l'exception des Règles de procédure civile et de quelques règlements analogues.

Nous souhaitons que cette édition mise à jour reflète encore plus fidèlement la terminologie utilisée dans les lois de l'Ontario, et nous espérons que ses usagers y trouveront un instrument de travail aussi complet, pratique et maniable que les éditions précédentes.

On peut se procurer des exemplaires du Lexique au prix unitaire de 30,47 \$ (26,50 \$ plus 1,85 \$ (7 %) TPS, plus 2,12 \$ (8 %) TVP) en personne ou par téléphone, télécopie ou commande postale auprès de **Publications Ontario** à l'adresse et aux numéros suivants :

“class” includes a series of a class;

“common shares” means equity shares to which are attached voting rights exercisable in all circumstances, irrespective of the number or percentage of shares owned, that are not less, on a per share basis, than the voting rights attaching to any other shares of an outstanding class of shares of the issuer, unless the Director makes a determination under section 4.1 that the shares are restricted shares;

“control person” means, with respect to an issuer, any person, company or combination of persons or companies holding a sufficient number of any securities of that issuer to affect materially the control of that issuer, and any holding of any person, company or combination of persons or companies holding more than 20 per cent of the voting rights attached to all of the outstanding voting securities of an issuer shall, in the absence of evidence to the contrary, be deemed to affect materially the control of that issuer;

“equity shares” means shares of an issuer that carry a residual right to participate in the earnings of the issuer and, upon the liquidation or winding up of the issuer, in its assets;

“minority approval” means approval of a proposed reorganization or stock distribution given at a meeting of shareholders of an issuer called to consider the reorganization or stock distribution by a majority of the votes cast by holders of voting shares and, if required by corporate law governing the issuer, by a majority of the votes cast by holders of a class of shares voting separately as a class other than, in both cases, the votes attaching at the time to securities held directly or indirectly by affiliates of the issuer and securities held directly or indirectly by control persons of the issuer;

“non-voting shares” means restricted shares that do not carry the right to vote generally, except for a right to vote that is mandated in special circumstances by law;

“preference shares” means shares to which are attached a preference or right over the shares of any class of equity shares of the issuer, but does not include equity shares;

“stock distribution” means a distribution of restricted shares or subject securities, or securities that are directly or indirectly convertible into or exercisable or exchangeable for restricted shares or subject securities, whether in conjunction with a reorganization or otherwise, other than

- (a) a distribution of previously unissued restricted shares by way of stock dividend in the ordinary course to shareholders instead of a cash dividend if at the time of distribution there is a published market for the restricted shares, or
- (b) a stock split that takes the form of a distribution of previously unissued restricted shares by way of stock dividend to holders of the same class of restricted shares if at the time of distribution there is a published market for the restricted shares and the distribution is part of a concurrent distribution by way of stock dividend to holders of all equity shares under which all outstanding equity shares of the issuer are increased in the same proportion;

“subject securities” means shares that have the effect, or would have the effect if and when issued, of changing a class of outstanding equity shares into restricted shares;

“subordinate voting shares” means restricted shares that carry a right to vote, if there are shares of another class of shares outstanding that carry a greater right to vote on a per share basis; and

2. At the time of each reorganization referred to in paragraph 1, the issuer was either a reporting issuer in any jurisdiction or a CDN issuer.
3. If any proposed uses for the restricted shares were described in the information circular sent to shareholders in connection with the shareholders' meeting held to approve a reorganization referred to in paragraph 1, the reason for the stock distribution is not inconsistent with those uses.

PART 4 DETERMINATIONS AND EXEMPTIONS

4.1 Determination of Status

- (1) The Director may determine that equity shares of an issuer are restricted shares for purposes of this Rule, if one of the following factors is present:
 1. There is another class of shares that, in view of the consideration and time at which the shares were or are being issued, carries a disproportionate vote per share relative to the equity shares.
 2. The conditions of the equity shares, the conditions of other classes of shares or the issuer's constating documents have provisions that tend to nullify or significantly restrict the voting rights or voting interests of the equity shares.
 3. There is another class of equity shares, the shares of which are entitled to participate in earnings or assets to a substantially lesser extent, on a per share basis, than the extent to which the first class of equity shares is entitled to participate.
- (2) If the Director determines that equity shares are restricted shares, the Director may also determine the appropriate restricted share term to be used to designate the shares, taking into account the voting attributes attached to the shares and the term that will best describe the attributes.

4.2 Exemption

The Director may grant an exemption to this Rule, in whole or in part, subject to such conditions or restrictions as may be imposed in the exemption.

Bilingual Lexicon of Legislative Terms

New Edition

This new edition of the *Bilingual Lexicon of Legislative Terms*, prepared by the Office of Legislative Counsel, is the result of a complete review of the 1992 edition. Every entry in that edition was checked against our statutes database. Hundreds of obsolete entries were deleted and thousands of new entries were added. These changes were based on a scanning of the Revised Statutes of Ontario, 1990 and of annual statutes to the end of 1997. Bilingual regulations were not scanned for the purpose of this edition, with the exception of the Rules of Civil Procedures and a few similar regulations.

We hope that this updated edition of the *Lexicon* will reflect even more accurately the terminology used in Ontario's statutes, and that users will find it as complete, practical and reliable a reference work as the previous editions.

Copies of the *Lexicon* may be purchased for \$30.47 (\$26.50 plus \$1.85 (7%) GST, plus \$2.12 (8%) PST) in person or by telephone, fax, or mail order through **Publications Ontario** at the address and at the following numbers:

Lexique bilingue de termes législatifs

Nouvelle édition

Cette nouvelle édition du *Lexique bilingue de termes législatifs*, préparée par le Bureau des conseillers législatifs, constitue une refonte complète de l'édition de 1992. Des centaines de termes désuets figurant dans la précédente édition ont été retranchés; en revanche, des milliers de nouveaux termes viennent enrichir l'ouvrage. Le choix des entrées et des contextes se fonde essentiellement sur le dépouillement des Lois refondues de l'Ontario de 1990 et sur celui des lois annuelles jusqu'à la fin de 1997. Les règlements bilingues n'ont pas été dépouillés, à l'exception des Règles de procédure civile et de quelques règlements analogues.

Nous souhaitons que cette édition mise à jour reflète encore plus fidèlement la terminologie utilisée dans les lois de l'Ontario, et nous espérons que ses usagers y trouveront un instrument de travail aussi complet, pratique et maniable que les éditions précédentes.

On peut se procurer des exemplaires du Lexique au prix unitaire de 30,47 \$ (26,50 \$ plus 1,85 \$ (7 %) TPS, plus 2,12 \$ (8 %) TVP) en personne ou par téléphone, télécopie ou commande postale auprès de **Publications Ontario** à l'adresse et aux numéros suivants :

Bilingual Lexicon of Legislative Terms

New Edition

This new edition of the *Bilingual Lexicon of Legislative Terms*, prepared by the Office of Legislative Counsel, is the result of a complete review of the 1992 edition. Every entry in that edition was checked against our statutes database. Hundreds of obsolete entries were deleted and thousands of new entries were added. These changes were based on a scanning of the Revised Statutes of Ontario, 1990 and of annual statutes to the end of 1997. Bilingual regulations were not scanned for the purpose of this edition, with the exception of the Rules of Civil Procedures and a few similar regulations.

We hope that this updated edition of the *Lexicon* will reflect even more accurately the terminology used in Ontario's statutes, and that users will find it as complete, practical and reliable a reference work as the previous editions.

Copies of the Lexicon may be purchased for \$30.47 (\$26.50 plus \$1.85 (7%) GST, plus \$2.12 (8%) PST) in person or by telephone, fax, or mail order through **Publications Ontario** at the address and at the following numbers:

Lexique bilingue de termes législatifs

Nouvelle édition

Cette nouvelle édition du *Lexique bilingue de termes législatifs*, préparée par le Bureau des conseillers législatifs, constitue une refonte complète de l'édition de 1992. Des centaines de termes désuets figurant dans la précédente édition ont été retranchés; en revanche, des milliers de nouveaux termes viennent enrichir l'ouvrage. Le choix des entrées et des contextes se fonde essentiellement sur le dépouillement des Lois refondues de l'Ontario de 1990 et sur celui des lois annuelles jusqu'à la fin de 1997. Les règlements bilingues n'ont pas été dépouillés, à l'exception des Règles de procédure civile et de quelques règlements analogues.

Nous souhaitons que cette édition mise à jour reflète encore plus fidèlement la terminologie utilisée dans les lois de l'Ontario, et nous espérons que ses usagers y trouveront un instrument de travail aussi complet, pratique et maniable que les éditions précédentes.

On peut se procurer des exemplaires du Lexique au prix unitaire de 30,47 \$ (26,50 \$ plus 1,85 \$ (7 %) TPS, plus 2,12 \$ (8 %) TVP) en personne ou par téléphone, télécopie ou commande postale auprès de **Publications Ontario** à l'adresse et aux numéros suivants :

- each party has custody of one or more children;
- the payor's annual income as determined under the guidelines is more than \$150,000;
- either party claims that an order according to the guidelines amount would result in undue hardship.

ONTARIO REGULATION 546/99
made under the
POLICE SERVICES ACT

Made: November 24, 1999

Filed: November 26, 1999

SUSPECT APPREHENSION PURSUITS

1. For the purposes of this Regulation, a suspect apprehension pursuit occurs,

- (a) when a police officer attempts to direct the driver of a motor vehicle to stop;
- (b) the driver refuses to obey the police officer; and
- (c) the police officer pursues in a motor vehicle for the purpose of stopping the fleeing motor vehicle or identifying the fleeing motor vehicle or an individual in the fleeing motor vehicle.

2. A suspect apprehension pursuit is discontinued when police officers are no longer pursuing a fleeing motor vehicle for the purpose of stopping the fleeing motor vehicle or identifying the fleeing motor vehicle or an individual in the fleeing motor vehicle.

3. (1) A police officer may pursue, or continue to pursue, a fleeing motor vehicle that fails to stop,

- (a) if the police officer has reason to believe that a criminal offence has been committed or is about to be committed; or
- (b) for the purposes of motor vehicle identification or the identification of an individual in the vehicle.

(2) A police officer shall, before initiating a suspect apprehension pursuit, determine that there are no alternatives available as set out in the written procedures of the police force established under subsection 7 (1).

(3) A police officer shall, before initiating a suspect apprehension pursuit, determine whether in order to protect public safety the immediate need to apprehend an individual in the fleeing motor vehicle or the need to identify the fleeing motor vehicle or an individual in the fleeing motor vehicle outweighs the risk to public safety that may result from the pursuit.

(4) During a suspect apprehension pursuit, a police officer shall continually reassess the determination made under subsection (3) and shall discontinue the pursuit when the risk to public safety that may result from the pursuit outweighs the risk to public safety that may result if an individual in the fleeing motor vehicle is not immediately apprehended or if the fleeing motor vehicle or an individual in the fleeing motor vehicle is not identified.

(5) No suspect apprehension pursuit shall be initiated for a non-criminal offence if the identity of an individual in the fleeing motor vehicle is known.

(6) All suspect apprehension pursuits for a non-criminal offence shall be discontinued once the fleeing motor vehicle or an individual in the fleeing motor vehicle is identified.

4. (1) A police officer shall notify a dispatcher when the officer initiates a suspect apprehension pursuit.

(2) The dispatcher shall notify a communications supervisor or road supervisor, if a supervisor is available, that a suspect apprehension pursuit has been initiated.

5. A communications or road supervisor shall order police officers to discontinue a suspect apprehension pursuit if, in his or her opinion, the risk to public safety that may result from the pursuit outweighs the risk to public safety that may result if an individual in the fleeing motor vehicle is not immediately apprehended or if the fleeing motor vehicle or an individual in the fleeing motor vehicle is not identified.

6. Every police services board shall establish policies that are consistent with this Regulation about suspect apprehension pursuits.

7. (1) Every police force shall establish written procedures that set out the tactics that may be used in its jurisdiction,

- (a) as an alternative to suspect apprehension pursuit; and
- (b) for following or stopping a fleeing motor vehicle.

(2) Every police force shall establish written procedures that are consistent with this Regulation about suspect apprehension pursuits in its jurisdiction.

8. A police officer shall not discharge his or her firearm for the sole purpose of attempting to stop a fleeing motor vehicle.

9. A police officer in an unmarked police vehicle shall not engage in a suspect apprehension pursuit unless a marked police vehicle is not readily available and the police officer believes that it is necessary to immediately apprehend an individual in the fleeing motor vehicle or to identify the fleeing motor vehicle or an individual in the fleeing motor vehicle.

10. (1) During a suspect apprehension pursuit, a police officer shall consider the tactics for stopping a vehicle as set out in the written procedures referred to in subsection 7 (1).

(2) A police officer may only intentionally cause a police motor vehicle to come into physical contact with a fleeing motor vehicle for the purposes of stopping it where the officer believes on reasonable grounds that to do so is necessary to immediately protect against loss of life or serious bodily harm.

(3) In considering the action referred to in subsection (2), a police officer shall assess the impact of the action on the safety of other members of the public and police officers.

(4) Despite subsection (2), a police officer may cause a police motor vehicle to come into physical contact with a fleeing motor vehicle for the purposes of pinning it if the fleeing motor vehicle has lost control or collided with an object and come to a stop and the driver of the motor vehicle continues to try to use it to flee.

(5) Nothing in subsection (2) precludes police officers involved in a pursuit, with assistance from other police officers in motor vehicles, from attempting to safely position the police vehicles in such a manner as to prevent the movement either forward, backward or sideways of a fleeing motor vehicle.

(6) Every police force shall ensure that its police officers receive training about the intentional contact between vehicles that is described

in subsection (2). The training must address the matters described in subsections (2) and (3).

11. (1) Every police force shall establish written procedures on the management and control of suspect apprehension pursuits.

(2) The procedures must describe the responsibilities of police officers, dispatchers, communications supervisors and road supervisors.

(3) The procedures must describe the equipment that is available for implementing alternative tactics.

12. (1) If more than one jurisdiction is involved in a suspect apprehension pursuit, the supervisor in the jurisdiction in which the pursuit begins has decision-making responsibility for the pursuit.

(2) The supervisor may hand over decision-making responsibility to a supervisor in another jurisdiction involved in the pursuit.

13. A police officer does not breach the code of conduct when he or she decides not to initiate or chooses to discontinue a suspect apprehension pursuit because he or she has reason to believe that the risk to public safety that may result from the pursuit outweighs the risk to public safety that may result if an individual in the fleeing motor vehicle is not immediately apprehended or if the fleeing motor vehicle or an individual in the fleeing motor vehicle is not identified.

14. Every police force shall ensure that its police officers, dispatchers, communications supervisors and road supervisors receive training accredited by the Solicitor General about suspect apprehension pursuits.

15. A police force shall ensure that the particulars of each suspect apprehension pursuit are recorded on a form and in a manner approved by the Solicitor General.

16. This Regulation comes into force on January 1, 2000.

Bilingual Lexicon of Legislative Terms

New Edition

This new edition of the *Bilingual Lexicon of Legislative Terms*, prepared by the Office of Legislative Counsel, is the result of a complete review of the 1992 edition. Every entry in that edition was checked against our statutes database. Hundreds of obsolete entries were deleted and thousands of new entries were added. These changes were based on a scanning of the Revised Statutes of Ontario, 1990 and of annual statutes to the end of 1997. Bilingual regulations were not scanned for the purpose of this edition, with the exception of the Rules of Civil Procedures and a few similar regulations.

We hope that this updated edition of the *Lexicon* will reflect even more accurately the terminology used in Ontario's statutes, and that users will find it as complete, practical and reliable a reference work as the previous editions.

Copies of the Lexicon may be purchased for \$30.47 (\$26.50 plus \$1.85 (7%) GST, plus \$2.12 (8%) PST) in person or by telephone, fax, or mail order through **Publications Ontario** at the address and at the following numbers:

Lexique bilingue de termes législatifs

Nouvelle édition

Cette nouvelle édition du *Lexique bilingue de termes législatifs*, préparée par le Bureau des conseillers législatifs, constitue une refonte complète de l'édition de 1992. Des centaines de termes désuets figurant dans la précédente édition ont été retranchés; en revanche, des milliers de nouveaux termes viennent enrichir l'ouvrage. Le choix des entrées et des contextes se fonde essentiellement sur le dépouillement des Lois refondues de l'Ontario de 1990 et sur celui des lois annuelles jusqu'à la fin de 1997. Les règlements bilingues n'ont pas été dépouillés, à l'exception des Règles de procédure civile et de quelques règlements analogues.

Nous souhaitons que cette édition mise à jour reflète encore plus fidèlement la terminologie utilisée dans les lois de l'Ontario, et nous espérons que ses usagers y trouveront un instrument de travail aussi complet, pratique et maniable que les éditions précédentes.

On peut se procurer des exemplaires du Lexique au prix unitaire de 30,47 \$ (26,50 \$ plus 1,85 \$ (7 %) TPS, plus 2,12 \$ (8 %) TVP) en personne ou par téléphone, télécopie ou commande postale auprès de **Publications Ontario** à l'adresse et aux numéros suivants :

2. The amount under paragraph 1 shall be apportioned equally among the dependent children entitled to receive a children's pension.

(4) When a child ceases to be a dependent child and is no longer entitled to receive a children's pension under this section, the amount of the pension of each remaining dependent child shall be recalculated under subsection (3).

(5) If a dependent child who is receiving a children's pension under section 35.1 becomes entitled to a children's pension under this section, the dependent child ceases to be entitled to receive the children's pension under section 35.1.

(7) Every joint and survivor pension being paid under the pension plan on January 1, 2000 shall be increased, if necessary, as if subsections (2) and (6) had been in force on the date the former member began to receive a retirement pension under the pension plan.

Bilingual Lexicon of Legislative Terms

New Edition

This new edition of the *Bilingual Lexicon of Legislative Terms*, prepared by the Office of Legislative Counsel, is the result of a complete review of the 1992 edition. Every entry in that edition was checked against our statutes database. Hundreds of obsolete entries were deleted and thousands of new entries were added. These changes were based on a scanning of the Revised Statutes of Ontario, 1990 and of annual statutes to the end of 1997. Bilingual regulations were not scanned for the purpose of this edition, with the exception of the Rules of Civil Procedures and a few similar regulations.

We hope that this updated edition of the *Lexicon* will reflect even more accurately the terminology used in Ontario's statutes, and that users will find it as complete, practical and reliable a reference work as the previous editions.

Copies of the Lexicon may be purchased for \$30.47 (\$26.50 plus \$1.85 (7%) GST, plus \$2.12 (8%) PST) in person or by telephone, fax, or mail order through **Publications Ontario** at the address and at the following numbers:

Lexique bilingue de termes législatifs

Nouvelle édition

Cette nouvelle édition du *Lexique bilingue de termes législatifs*, préparée par le Bureau des conseillers législatifs, constitue une refonte complète de l'édition de 1992. Des centaines de termes désuets figurant dans la précédente édition ont été retranchés; en revanche, des milliers de nouveaux termes viennent enrichir l'ouvrage. Le choix des entrées et des contextes se fonde essentiellement sur le dépouillement des Lois refondues de l'Ontario de 1990 et sur celui des lois annuelles jusqu'à la fin de 1997. Les règlements bilingues n'ont pas été dépouillés, à l'exception des Règles de procédure civile et de quelques règlements analogues.

Nous souhaitons que cette édition mise à jour reflète encore plus fidèlement la terminologie utilisée dans les lois de l'Ontario, et nous espérons que ses usagers y trouveront un instrument de travail aussi complet, pratique et maniable que les éditions précédentes.

On peut se procurer des exemplaires du Lexique au prix unitaire de 30,47 \$ (26,50 \$ plus 1,85 \$ (7 %) TPS, plus 2,12 \$ (8 %) TVP) en personne ou par téléphone, télécopie ou commande postale auprès de **Publications Ontario** à l'adresse et aux numéros suivants :

Bilingual Lexicon of Legislative Terms

New Edition

This new edition of the *Bilingual Lexicon of Legislative Terms*, prepared by the Office of Legislative Counsel, is the result of a complete review of the 1992 edition. Every entry in that edition was checked against our statutes database. Hundreds of obsolete entries were deleted and thousands of new entries were added. These changes were based on a scanning of the Revised Statutes of Ontario, 1990 and of annual statutes to the end of 1997. Bilingual regulations were not scanned for the purpose of this edition, with the exception of the Rules of Civil Procedures and a few similar regulations.

We hope that this updated edition of the *Lexicon* will reflect even more accurately the terminology used in Ontario's statutes, and that users will find it as complete, practical and reliable a reference work as the previous editions.

Copies of the Lexicon may be purchased for \$30.47 (\$26.50 plus \$1.85 (7%) GST, plus \$2.12 (8%) PST) in person or by telephone, fax, or mail order through **Publications Ontario** at the address and at the following numbers:

Lexique bilingue de termes législatifs

Nouvelle édition

Cette nouvelle édition du *Lexique bilingue de termes législatifs*, préparée par le Bureau des conseillers législatifs, constitue une refonte complète de l'édition de 1992. Des centaines de termes désuets figurant dans la précédente édition ont été retranchés; en revanche, des milliers de nouveaux termes viennent enrichir l'ouvrage. Le choix des entrées et des contextes se fonde essentiellement sur le dépouillement des Lois refondues de l'Ontario de 1990 et sur celui des lois annuelles jusqu'à la fin de 1997. Les règlements bilingues n'ont pas été dépouillés, à l'exception des Règles de procédure civile et de quelques règlements analogues.

Nous souhaitons que cette édition mise à jour reflète encore plus fidèlement la terminologie utilisée dans les lois de l'Ontario, et nous espérons que ses usagers y trouveront un instrument de travail aussi complet, pratique et maniable que les éditions précédentes.

On peut se procurer des exemplaires du Lexique au prix unitaire de 30,47 \$ (26,50 \$ plus 1,85 \$ (7 %) TPS, plus 2,12 \$ (8 %) TVP) en personne ou par téléphone, télécopie ou commande postale auprès de **Publications Ontario** à l'adresse et aux numéros suivants :
